Report Details: The School Capital Outlay Report is provided in accordance with Utah Code 53E-3-707- School Construction- School Plant Capital Outlay Report, which states, "The State Board of Education shall prepare an annual school plant capital outlay report of all school districts, which includes information on the number and size of building projects completed and under construction."

Project Number: number assigned by USBE (Financial Operations) after receipt of all "Pre-Construction" check list items.

Estimate Costs: Cost amounts reported in this report are taken directly from the SP-4 Preliminary documents on Proposed School Facilities Construction Forms- submitted for projects, as required by 53E-3 and Administrative Rule R277-471, and are not final project costs.

Report Inclusion: Projects open for one month or more during the fiscal year are considered active for this report.
